

INTRODUCTORY ROBOTICS WORKSHOP FOR ADULTS

**JULY 19, 2014
11:00am - 2:30pm**

For adults with little or no experience with robotics or programming, this exciting workshop teaches how to build and program LEGO Mindstorm robots. Use your new skills to meet such challenges as line following. This class will introduce programming concepts and use of sensors.

LEGO Mindstorm EV3 Robot

ADDITIONAL INFORMATION

- Cost - \$35 per adult (to be paid on day of workshop)
- Adults will be partnered in pairs of two.
- Robots and laptops will be provided.
